

gamestates.State

gamestates.Statemethods

gamestates.Options

```
graph BT; Options[gamestates.Options] --> State[gamestates.State]; Options --> Statemethods[gamestates.Statemethods];
```

The diagram illustrates a relationship between three components. At the bottom is a box labeled 'gamestates.Options'. Two blue arrows originate from this box: one points diagonally up and to the left to a box labeled 'gamestates.State', and the other points diagonally up and to the right to a box labeled 'gamestates.Statemethods'. The 'gamestates.Options' box has a light gray background, while the other two are white.
